

Earn \$\$\$ Through 2 Easy Member Referral Programs!

Sometimes, word of mouth is the best form of advertisement. This is true, especially when it comes to deciding on who you will trust with your financial needs. Hearing about someone else's good experience with opening an account or how easy it was to get a mortgage, can really make an impact on someone's choice of financial institutions. We, at the Lisbon Credit Union, realize this and offer an incentive for you to share your good experiences through our referral programs. You can earn \$50 each time you refer someone for a mortgage loan that qualifies and closes, and you can earn \$25 each time you refer a friend or family member to the Lisbon Credit Union.

When a friend or family member who is not currently a credit union Member applies and qualifies for a mortgage, or opens a savings **in conjunction with** a checking, loan, share certificate **or** money market, we will send you a check just for being the one who referred them. There are referral cards available at both our locations that you can fill out and give to friends and family. All they need to do is bring in the referral cards when meeting with a loan officer for a mortgage or when opening their accounts. If the mortgage loans or accounts opened qualify under the referral program parameters, soon after you will receive a check in the mail.

If your positive experiences have prompted you to tell others about the Lisbon Credit Union, don't miss the opportunity to earn a little extra **\$\$\$**. Stop by one of our locations and grab some member referral cards!
